

Non-Returned or Lost Material

If library materials are lost or not returned, the patron is liable for the maximum library fine of \$25.00 plus a \$7.00 service charge. If an item is disproportionately expensive a material replacement fee may be added to the patron's account.

Penalties:

1. No one who has overdue library materials or unpaid replacement cost for lost or damaged books may check out additional library material until all overdue materials are returned and all fines have been paid to the library. This applies to interlibrary loan services.
2. BCC students who owe library fines or have overdue library materials will have replacement costs attached to their school fees through the student finance office. This applies to interlibrary loan services.
3. Interlibrary Loan fines and cost of replacement of library materials will not be waived. Continuous abuse of the interlibrary loan service by patrons will result in the loss of this service to the patron.
