Office of Financial Aid
The office of financial aid office is open Monday through Friday, 8:30 a.m. through 4:00 p.m. Mountain Standard time, excluding College holidays. We are located in the Beaver Painted Lodge building. The primary purpose of the Financial Aid Office at Blackfeet Community College is to provide advice and access to financial aid funding to students who would be unable to pursue their educational goals without such help.

Financial aid consists of federal, state, scholarship donors and local monetary assistance to eligible students through the Office of Financial Aid in the form of grants, federal work-study, and scholarship aid, which will help pay the cost of attending college.

With the ever changing Title IV financial regulations, BCC an accredited college, keep the administration of the Title IV programs in compliance with the Department of Education our financial aid policy and procedures are updated. Details regarding policy and procedures can be found in the financial aid and federal regulations manual.

Application Procedure
All applicants for financial assistance must file the Free Application for Federal Aid (FAFSA) available online at www.fafsa.gov. The application procedures and eligibility criteria are subject to change in accordance with the Department of Education without notice. Students who will be applying for financial aid Pell Grant are urged to complete the FAFSA application by March 1 of each year. It is very important that timelines for the FAFSA application are followed in order for a student to receive financial aid funding in a timely manner. Failure will result in a late disbursement.

FAFSA applications will be processed and disbursed in the same order they are received. Each student must complete a required institutional financial aid student data form and educational planner regardless if they receive a Pell Grant, these forms will be given out at the time of registration.

The educational planner must be filled out with the academic advisor, signed by both and submitted A student data form to the financial aid office needs to be completed and submitted.

Appeals
The financial aid office will contact you if you are in an appeal situation. See the financial aid office for additional details, restrictions and requirements.

Appeal Decisions
Appeals are considered on a case by case basis. Not all appeals are approved. All approved appeals will come with restrictions and requirements before any disbursement will be made to the student. Appeals that are denied, a letter will be mailed to the student outlining the details of the denial.

Appeal Types
1. Satisfactory Academic Progress Suspension
   a. Only 1 (one) SAP appeal is allowed during your academic career at BCC.
2. Over the Credit to Graduate
a. Only 1 (one) OC appeal is allowed during your academic career at BCC.

Consumer Information
The Title IV regulations require a college to publish and distribute consumer information to the administration, faculty, staff and students at BCC in the catalog, policy and procedure manuals, student handbook, brochures, web, campus media outlets, social media, and other published formats. See BCC’s substance abuse and alcohol policy, sexual harassment policy, annual security report, and other consumer information on our website or in print on campus.

Earned Financial Aid
Financial aid recipients “earn” the aid they receive by being enrolled in a Federally Pell Grant approved program of study. The amount of federal assistance earned is based on a pro-rated system. Students who withdraw or do not complete all classes in which they were enrolled may be required to return some of the grant aid awarded.

Financial Aid Suspension
Financial Aid Suspension happens when you are not meeting the satisfactory academic progress (SAP) a letter will be sent to the student outlining the suspension. Once you are on suspension, you will stay on suspension until you meet SAP requirements. You must pay for tuition and fees until you regain financial aid eligibility.

Financial Aid Warning
You are still eligible for Financial Aid if you are put on Academic Warning. A letter will be mailed out to the student and after receiving the notification and the student must stop in and visit with Financial Aid Office on what needs to be done to get off warning status.

Frequency & Means of Payment for Financial Aid
Financial Aid refunds will be disbursed by check from the Blackfeet Community College Business Office. Disbursement dates are determined by the business office, and financial aid is not responsible or is in control of closures, holidays or other extenuating circumstances that may interfere the dates or times of disbursement. Financial aid is responsible for awarding the Pell Grant, the SEOG, and college work study. All other funding is the responsibility of the donor, program or grant agency.

Student Attendance in Class
Faculty will report student’s last date of attendance to the Financial Aid Office and Registrar’s Office. This will verify student’s attendance in class as required by regulations requiring proof that a student has attended or has stopped attending class, before any Title IV funds will be disbursed to the student.

Federal Educational Opportunities Grant (SEOG)
A SEOG is a campus based financial aid award designed to help the students meet the cost of their education. The amount of the award is based on need, academic progress, the availability of SEOG funds allocated to BCC, and the amount of other aid the student is receiving. It is for undergraduates only, and does not have to be paid back. A student must be eligible for the Federal Pell Grant in order
to receive SEOG and must have filed before the FAFSA deadline.

**Federal Work Study (FWS, CWS)**
This financially sponsored program permits the granting of job opportunities to students eligible for federal financial assistance. Eligible students may work up to 15 hours per week on campus.

A student must be enrolled in a minimum of 12 credits in the current semester to be eligible for FWS. Students, who graduate, withdraw from classes, or drop below 12 credits are not eligible for a FWS position. FWS students must maintain good satisfactory academic progress. See the financial aid office for additional details regarding work study.

**FERPA**
Family Educational Rights and Privacy Act (FERPA) of 1974, governs the protection of students’ privacy and compliance with FERPA laws and guidelines. The Family Educational Rights and Privacy Act sets forth requirements regarding the privacy of student records and affords students certain rights with respect to their education records.

Students have the right to inspect and review their education records within 45 days of the request for access request an amendment of their education records to ensure that they are accurate, not misleading, or otherwise in violation of the student’s privacy, request that school officials not disclose personally identifiable information about them, or permit inspection of their records without written permission, unless such action is covered by certain exceptions permitted by FERPA.

**Pell Grant**
This is a grant entitlement program. A Federal Pell payment schedule/congressional methodology formula provided by the Department of Education is applied to all student applications. The financial aid staff is expected to administer all financial aid within the regulations that govern them and will adjust accordingly as determined by the student’s eligibility.

Students who have been accepted for at least six credits or more and has declared a Pell eligible program of study (major), may apply for the Pell Grant using the online FAFSA. Pell is awarded on an academic year basis, so you must apply each year for the year you are planning on attending.

Pell provides a “floor” of financial aid to help defray the cost of a post-secondary education; no two students are alike in their award amounts, as it is based on their self-reported information. The student does this by applying for the FAFSA online. Once successfully submitted by the student, an Institutional Student Information Record (ISIR) is sent to the financial aid office for processing the Pell grant.

Approved Pell grant funding will only apply to those courses that are related to the student’s declared major; to students in good academic standing; who do not owe a refund or repayment to the federal government, is not in default, has no withdrawals or has not been expelled, has not exceeded the credit cap at BCC or exceeded their Lifetime Eligibility Used (LEU) 600% of Pell grant awarded, or has previously earned a bachelor’s degree.
Return of Title IV Funds (R2T4)
BCC is required to determine the percentage of Title IV aid “earned” by the student and will return the “unearned” portion to the appropriate federal aid programs. The R2T4 calculation is completed by the financial aid and student accounts offices and the student will be notified upon completion.

Satisfactory Academic Progress (SAP)
Students must maintain academic eligibility for student financial aid. This requires the student to be making Satisfactory Academic Progress (SAP). Federal law and regulations dictate that college policies measuring SAP must consider the grades earned by the student, with a minimum of 2.00 GPA (the GPA is based on the accumulative GPA, not the term GPA.)

Students must be earning two-thirds (67%) of credits attempted, and in particular, the student must be on track to graduate within the maximum timeframe for their declared degree program within 150% of their total program attempted credits (this may include all approved credits from all other institutions).

It is the responsibility of the financial aid office to adhere to the federal regulations governing the administration of federal grant aid, which dictates that no payment of funds be made unless it is determined that the student is maintaining satisfactory academic progress in their chosen course of study and in accordance with all standards set forth by the institution and federal student aid.

SAP is defined by the following three criteria:
- Meeting a minimum cumulative grade point average requirement (GPA).
- Earning a minimum number of units for credit per semester (Pace of Progression).
- Completing the degree objective within a maximum number of semesters enrolled and a maximum number of credits attempted (Maximum Time-Frame Allowance).

Students who do not meet one or more of the above criteria will be considered SAP ineligible for financial aid or will be placed in a financial aid SAP Warning or suspension, see the financial aid office if you have questions regarding this federal policy.

Scholarships
Outside funding in the form of scholarships, internships, or other financial assistance are at the discretion of the donor. Examples of outside funding are the Blackfeet Higher Education Program, American Indian College Fund, Cobell Scholarship, Veterans, Vocational Rehab, Tribal, community and campus programs. See these programs and other programs like this for their requirements or applications.

Scholarships funds are sent to the college from a third party and are paid on a semester basis, directly to the student’s account for their college expenses. Questions regarding the balance owed should be addressed to the business office. The financial aid office is not responsible for enrollment cancellations or late fees resulting from outstanding balances. Please view the business office web site regarding refund options.
Students are required to enroll for a minimum of 12 credit hours each semester in order to receive scholarship funds and must have a minimum of a 2.0 GPA, unless otherwise stated in the donor requirements of the award.

**Student Loans**
Blackfeet Community College does not participate in any of the Federal Loan Programs at this point in time. Therefore, the college does not provide any student loans to incoming students. But the financial aid office does give out loan deferment forms if identified by the ISIR or self-identified by the student if they have a student loan, and only when a student officially registers at BCC. Once the deferment form is completed by the student and certified by the registrar’s office, it is entered into the student’s enrollment data through the National Student Loan Database.

**Suspected Fraud**
When reviewing required documents and income information, if a financial aid staff member discovers a major discrepancy in the students reported data, the student will be given every opportunity to clear up the discrepancy by correcting the discrepancy online at www.fafsa.gov or on the SAR then mailing it in or bring it into the financial aid office. The Director will inform the student of the action taken.

Failure to correct the discrepancy will lead to notifying the Office of Inspector General (OIG) in Denver and the student’s file will be placed on final review, stopping all disbursements until the errors are corrected. If the student and/or their parent give false or misleading information, the student and/or their parent may be fined up to $25,000.00, sent to prison or both. Until clarification is reached, no disbursement of awards will be issued to the student.

**Title IV Aid**
The Financial Aid office is responsible for Title IV Aid which includes the Pell Grant, FSEOG and the FWS program. All other funding is the responsibility of the donor, program or grant. PELL, FSEOG, FWS, are the only Title IV funding the College offers at this time.

PELL is awarded based on a student’s financial needs. SEOG is an incentive to apply before the FAFSA deadline which is March 1 of every year. FWS (CWS) is a campus based work program for students who meet certain requirements. See financial aid for application.

**Verification of Student Aid Report (SAR)**
Verification is determined by the Department of Education. In addition, the financial aid office may at their discretion, ask that 100% of the student population be verified. The SAR and the ISIR is marked with an asterisk (*) next to the EFC (Estimated Family Contribution), which gives the financial aid office notice that verification is required.

Students must comply with the Department of Education verification requirements. To comply with verification, the student must complete all the required forms, which can be found in the financial
aid office or online. Required forms must be submitted before any disbursements are made to the student.

Financial Aid will verify the documents the student has submitted and the information reported on the SAR. If the verification is completed and received within the tolerance allowed by the Department of Education, BCC will award the proper Federal Pell amount to the student.

**Work Waiver**
Students will be eligible to apply for (tuition only) work waivers if ineligible for any Title IV financial aid or any other type of aid is not available. The student must apply for the work waiver in the student accounts office. This waiver does not include other fees or textbooks.

The waiver is approved on a semester-to-semester basis and is not to be used in conjunction with other tuition waivers. The student must reapply for a tuition work waiver for each semester they plan on attending with the financial aid office.

Other tuition waivers are available to the student see student accounts for additional waivers and their requirements.

**Business Office for Student Accounts**
The Business Office for Student Accounts (BOSA) is responsible for accurate assessment of charges to students’ accounts, timely issuance of billing statements, and processing of payments to Blackfeet Community College for charges assessed to students’ accounts, and for refunding overpayment of students’ accounts in accordance with Blackfeet Community College Policy and federal law.

The BOSA is open Monday through Friday, 8:30 a.m. through 4:00 p.m., Mountain Standard time, excluding College holidays. Students and individuals authorized by students to access student account information may contact the BOSA by phone at (406) 338-5441, Ext. 2229 or by email fernsfbfcc.edu and can expect a response within 24 hours. All physical correspondence, including paper payments, should be mailed to:

Blackfeet Community College
Attn: Student Accounts 504 SE Boundary Street
PO Box 819
Browning, MT 59417
Responsibility of Students
By the act of registration, class attendance, or participation in other activities associated with enrollment at Blackfeet Community College, the student accepts financial responsibility for charges assessed to his/her student account. Charges include those for tuition, mandatory fees, library fines, bookstore charges, and other fees noted in the current college catalog. This financial responsibility is not relieved until payment has been made for any and all charges incurred.

Billing and Due-Dates
Blackfeet Community College sends out statements on a yearly basis (after June 30). In addition, students can view their bill online by going to https://my.bfcc.edu/ics and logging in with their current username and password. Students can also request their bill be mailed or emailed to them.

In general, bills will be issued for active students with debit balances on a semester basis. At the beginning of fall and spring semesters, additional bills may be issued to ensure that students are kept fully apprised of changes to their accounts. Unofficial billing calendars, listing anticipated billing dates, will be posted online.

The College does not have a set due-date policy on students because of their low-income economic status. Usually, most of the students receive scholarships that pay for all or part of their bill. Those that do not receive scholarships or are ineligible must make arrangements with the Business Office for Student Accounts to set up a payment plan.

Financial Penalties
Service Charges and Non-Payment of Fees
Currently the College does not have service charges or non-payment of fees at this time.

Third Party Billing
The Business Office for Student Accounts offers billing and payment services, invoiced directly to third-party sponsors (such as the US Federal Government, private companies, and soon) for the educational costs of Blackfeet Community College, at no cost to the student. Third-party sponsors include the Vocational Rehab, Veteran’s Admin, Rural Employment Opportunities, to name a few.

In order to meet the requirements of FERPA, and to ensure that bills are issued only for eligible students, official documentation endorsed by the sponsors detailing the third party’s obligation to the student must be submitted to the BOSA. Any such authorizing document must contain the following (authorizations which fail to meet any of these requirements may be deemed insufficient):

- Student name
- Blackfeet Community College ID number (SID)
- Name, physical address, and email address of the sponsor
- Academic terms covered
- Types of charges covered (i.e., tuition, fees, books, etc.)
- Expected dollar amount of coverage
- Any special invoicing requirements of the sponsor
Examples of acceptable documentation include the Montana Vocational Rehabilitation Programs, DPHHS form VR-1; or any award letter on official letterhead containing the above items.

In order to ensure prompt processing, authorizations should be sent via email as .PDF attachments to fernsf@bfcc.edu. In the event that the student does not have access to an electronic copy of the document in question, and does not have access to a scanner, authorizations can be faxed to (406) 338-3272 or mailed to our office.

The BOSA reserves the right to refuse to invoice any third-party, to refuse to grant temporary credit for anticipated payments, or to reverse credit granted for anticipated payments never submitted by the sponsor.

When possible, invoices will be sent to the sponsoring entity within 72 hours of receipt of the authorization. In the event that the authorization is sent prior to the registration period for a given term, and the student has not pre-registered for courses, invoices will be sent following the end of the add/drop period. During the summer terms, invoices will be sent following the receipt of authorization of the assessment of charges.

Blackfeet Community College expects sponsors to process invoices and submit payment upon the issuance of an official invoice. If a sponsor refuses to remit payment, then it falls on the student responsibility for repayment of their bill.

Any student sponsored by an agency that intends to remit payment directly to the student (as opposed to paying Blackfeet Community College directly) must make arrangements to settle his or her balance with the Student Accounts.

**Late Fees**
No late fees will be charged.

**Financial Holds**
Any student with an outstanding account balance will not be able to obtain an official transcript. Financial holds prevent the generation of official transcripts, and the issuance of diplomas and certificates. Students whose balance rise over $500 will need to make arrangements with the Student Accounts Specialist regarding a payment plan.

Note: Students with an exceptionally high balance will need to get the Vice-President of Finance’s approval. Otherwise, the student cannot register for classes unless they make a payment plan with the Student Accounts Specialist and make payments on a regular basis (depending on the amount, it can be up to 3 years).

Financial holds are not released until the past-due debt is paid in full. If it is determined that a student has been making sufficient payment progress, then the financial hold may be lifted. Although the College does have a Student Payment Plan, the generally expected method is through that student’s employer via payroll deduction. This can be done with the Federal Government and the
Additionally, any student that has become inactive and for whom there remains an outstanding balance will have a hold placed on his or her account. Students will be declared inactive when one of the following occurs:

- The student fails to register for a term that he or she would otherwise be expected to register for as a part of his or her academic program
- The student has graduated from BCC and has not been admitted into another program
- The student withdraws from school during the current term for any reason
- The student takes a leave of absence

**Refunds**

The Business Office for Student Accounts requires a student’s request in order for a refund to be generated; students may request a refund whenever total payments to their account exceed total charges. Negative values in the “Current Due” field may not reflect a refundable balance, as this value can reflect memo items connected with payment arrangements (such as anticipated payments from third-party sponsors).

The BOSA will automatically issue refunds in two circumstances: when payments for a particular semester from Title IV sources exceed institutional charges (as required by federal law and regulations) and when the student has become inactive while retaining a credit balance, the action leading to the inactivity being deemed as creating a request for a refund.

**PELL Payout**

Will begin with the President’s PELL, which is from the previous semester and it is based on that semester’s GPA of 3.50 or higher. This happens by the 5th week after the 1st Day of Classes and approximately 2 weeks after the Last Day to Drop and Add a Class.

After the President’s PELL is paid out, regular PELL payouts will be paid on every other Thursday until the end of the semester (this is subject to change).

All Scholarships (not PELL) will be paid on Fridays and ready for pick up at 1:00 p.m.

All Scholarships will be applied to a student’s account before any refunds are processed. If the student’s current bill is over the scholarship award, it will be applied in full and the student will not receive a refund. If a student has a previous, that bill will be paid after the current bill is taken care of. Please see the Student Accounts Specialist for further information.

**NOTE:** Merit based awards such as the President’s List (not to be confused with President’s PELL) or Programs such as the NSF Alliance Minority Participation (AMPs), are not considered scholarships.

The BOSA reserves the right to hold or deny a refund request when there is the possibility that the charges on the student account were not properly assessed, or when payments are subject to adjustment.
If for any reason a refund request is not approved, an email will be sent to the student indicating the reason and the contact person with whom the student should discuss the matter. If, after further analysis, it is determined that the student is eligible for a refund, a new request must be submitted (and it can be in person, online, or by mail).

All refunds will be done in check form, as the College does not have an electronic payment process. All checks will be mailed (to student’s current address) if not picked up on Friday.

If the paper check is not received in a reasonable amount of time, the student should contact the BOSA and request a stop payment of the missing check. When this has been accomplished, the student will need to verify the address on file, and again request the refund.

In compliance with FERPA, all refund payments are made directly to students. The only exceptions are in certain cases of payments submitted by third party sponsors or outside scholarship organizations, and rare extenuating circumstances as defined by Blackfeet Community College.

If a student receives a refund to which he or she was not entitled, any outstanding balance that may result must be paid back to the student account immediately.

Refunds will be disbursed by check, only from the Blackfeet Community College Business Office. Disbursement dates are determined by the business office, and the financial aid office is not responsible or is in control of closures, holidays or other extenuating circumstances that may interfere the dates or times of disbursement.

**Delinquent Accounts**

Debt to the College is immediately due at the time a student becomes inactive. The reason for the inactivity is immaterial, whether it be graduation or completion of an academic program withdrawal, an approved leave of absence, failure to register for the next semester in the student’s academic program, or any other reason.

Students can make payment arrangements on their past due balances. The BOSA has forms for this.

- Students will be declared inactive when any of the following circumstances obtain:
- The student fails to register for a term that he or she would otherwise be expected to register for as part of their academic program.
- The student has graduated from Blackfeet Community College and has not been admitted into another program

Plagiarism includes copying any sentence or sentences verbatim (word for word) from the reference source without using quotation marks and without providing a complete reference (author, date, source of material, volume, pages, etc.), or printing out an article directly from a computer database (such as Encarta or off the World Wide Web) and turning it in as your own work. Students must read synthesize, and write their own original sentences by learning to paraphrase what they are reading. Even when quoting, a complete reference must be provided for paraphrased sentences. NEVER steal words or phrases directly from any source and present them as your own. Plagiarism can also occur in film and visual media if another person’s words or images are used without appropriate documentation and referencing.

Students are responsible for doing their own work, even if they are completing an assignment as a duo or a group. If two assignments are submitted to an instructor that show great similarity such that the instructor interprets it as evidence of cheating or plagiarism, both students will be penalized. If an instructor finds that cheating or plagiarism has occurred, he/she will in writing report to the Vice President of Academic Affairs who will file the report and request a meeting with the implicated individuals. This meeting is meant to resolve and evaluate each circumstance, in which the Vice President of Academic Affairs decide which if serious enough, can lead to disciplinary action, including probation, suspension or dismissal from Blackfeet Community College.

For grading requirement purposes, the instructor is free to assign the grade he/she thinks is appropriate for the said assignment for that semester in violation.

Student Complaint Reporting
When a student encounters a problem on campus that he/she does not know how to resolve, he/she should always try to work the problem out by first discussing it with those involved. Dealing with concerns in the most direct and honest fashion should always be the first step toward resolution. Many problems are resolved when a student makes an appointment with their advisor, counselor, faculty, staff member or division chairpersons and calmly and honestly communicates their complaints and concerns before it continues beyond to the vice president.

If, however, an issue or problem still exists after making attempts to resolve the issue first with the aforementioned, a student may initiate a formal complaint, with the Student Support Services
Supervisor. All formal complaints must be put in writing and must be signed by the student or students. A Student Complaint Form is provided as a tool for presenting a written complaint, but is not required.

**Procedures for Filing a Written Complaint**
1. Attempts for an informal resolution of the matter as noted above.
2. Complete the Student Complaint Form or submit a typed signed letter delivered, or mailed to:
