## **Course Delivery Terms**

Note: Please refer to your course syllabi for more information.

**Asynchronous learning:** Students will work online, independently while meeting all assignment due dates. Instructors will provide feedback and guidance throughout the learning process. Students must refer to the course syllabi and course schedule.

**Synchronous learning:** Online learning in which the participants interact at a scheduled class time using a video conferencing such as Zoom or Google Meets. Students must attend class during the scheduled time.

**Blended course:** A course that allows a portion of students to be in the classroom and a portion of the students will join via videoconferencing at the same time.

**Hybrid course:** Course delivery will have synchronous and asynchronous components, with one day of in-person contact.

**In-Person course:** Course delivery will be in-person.

**Online course:** An asynchronous course offered online only.

**Video Conferencing:** Online tools that allow virtual one-on-one or class meetings.

**BCC classes will be offered in one of the following formats:**

1. In-person synchronous (IP)
2. Blended synchronous (B)
3. Online-asynchronous (OL)
4. hybrid-both synchronous & asynchronous (S or AS)

Note: Please refer to your course syllabi for more information.
