Alcohol and Drug Free Workplace Policy Statement

It is the policy of the college to create a drug free workplace in keeping with the spirit and intent of the Drug Free Workplace Act of 1988. Drug use subjects all employees and individuals to our campus to unacceptable risks, and undermines the ability to work effectively and efficiently.

In recognition of the harmful effects that the use of alcohol and illegal drugs can have on employees, the college has a responsibility to its employees, students, and the public at large, to see that its employees are drug and alcohol free with on duty.

BCC is committed to protecting the safety, health and well-being of all employees and other individuals in its workplace. BCC recognizes that alcohol abuse and drug use pose a significant threat to its goals, and has established an alcohol- and drug-free workplace program that balances respect for individuals with the need to maintain an alcohol and drug-free environment.

Therefore, BCC encourages employees to voluntarily seek help with drug and alcohol problems.
