VOLUNTEER FORM

Blackfeet Community College will be hosting the International Blackfoot Research Conference from June 14th -June 16th, 2022 and we are looking for volunteers to help with the conference.

We are looking for volunteers to help accommodate our special guests by helping with registration, campus tours, transitioning from presentation to presentation, helping with zoom recording sessions, IT/Tech support, setting up/tearing down classrooms, helping setting up hospitality stations, and serving lunch to our respected elders and guests. All volunteers will need to attend a planning meeting for the conference and as an incentive for your volunteerism your registration fee will be waived for the conference. The volunteer form must be filled out and submitted to the International Blackfoot Research Conference Committee in order to attend the International Blackfoot Research Conference. Staff/Faculty/Students will need to volunteer for a sub-committee and attend at least 4 of the 7 meetings, do a poster session or a presentation at the research conference in order to have registration waived.
